Dear Track Clubs/Teams:

Thank you for your interest in joining our **Fight-4-Fitness** movement! This event has something for the whole family, read below to learn about our event!

The mission of **Fight-4-Fitness** is to form community alliances where awareness and empowerment serve as the nucleus for an improved quality of life. From children to adults, everyone is welcome to join the "fight" in reversing health trends that are adversely affecting our quality of life. **Fight-4-Fitness** is a movement toward good health through the celebration of life, and embracing the possibilities of change that can enhance one's own life and the lives of those around them. Interaction is the key to obtaining and/or maintaining a healthier lifestyle. Participating in the **Fight-4-Fitness** event can be the catalyst needed to create a vigorous, happy, and healthy Las Vegas community.
